+# Security Policy
+
+### Supported Versions
+
+Use this section to tell people about which versions of your project are
+currently being supported with security updates.
+
+| Version | Supported |
+|-----|-----|
+| 5.1.x | :white_check_mark: |
+| 5.0.x | :x: |
+| 4.0.x | :white_check_mark: |
+| < 4.0 | :x: |
+
+### Reporting a Vulnerability
+
+Use this section to tell people how to report a vulnerability.
+
+Tell them where to go, how often they can expect to get an update on a
+reported vulnerability, what to expect if the vulnerability is accepted or
+declined, etc.
```
